Dr. Jim Martin and Nancy Holtzapple were present at our meeting. They both feel the community and the schools should be involved together. Tom asked if he had any projects we could help with. Nancy mentioned a gym for the Jr. High level. Sue asked about recreational use of schools for the community. Dr. Martin suggested we explore. Nancy asked if we are involved with Bike trails and walkways. Don Young said the Chamber is interested but safety of bike riders is important. Tom suggested an origin and destination study for bike students, where and when they would like to go.

May 20 is the general meeting. "Energy Crisis and Conservation" and ambulance service are the topics. 4800 letters will go out covering homes, businesss and the returned envelopes from last year.

We were asked by Mrs. Gary Worsham to attend the meeting regarding the scout property.

The board approved \$10-15 for George and Lloyds plaques.

The meeting was adjourned at 10:15
